Before The Government of His Highness The Maharaj of Mysore At B A N G A L O R E.

Petition No. — of 1927-28.

Muniswami Chetty, Valagere-halli, Srinivasapur Taluq, Kolar District. — Petitioner.

Subject:- Re the inadequacy of the annual grant of Rs.50/- sanctioned to him as rent for his tope, taken away by the District Board, for holding a weekly shandy at the place.

The petitioner above-named most respectfully begs to represent his case for a re-consideration of the orders passed on the following, amongst - other, grounds:-

1. That the petitioner was in full enjoyment and possession of the tope laid down by his ancestors wherein the weekly shandy of the place is being held from a very long time, being responsible for the up-keep of trees and other things - required for the convenience of the public that - gather at the shandy. The same grew in importance every day in all its aspects and the petitioner also was being benefitted fully, in the shape of

that

5

that was being paid to him by the merchant class in kind and coin, as Mamool, till 1924-25, when the District Board interfered and began to levy fees in the shandy and arranged to take over the management of the shandy themselves, paying in return something for the petitioner as compensation for the loss sustained therefor. This question seems to have dragged on till very recently, when the Government have been kind enough to approve of the proposal of the District Board to sanction a sum of Rs.50/- per annum, as compensation to the petitioner.

Grounds for re-consideration:-

2. That the tope contains good many fruit-bearing trees, such as tamarind &c., and is situated in a very best locality, with a pond in the centre and any lay-man is willing to purchase the same for not less than Rs.3,000/- and the local authorities are fully aware of this.

3. That the petitioner has to pay annually at least Rs.20/- for removing silt in the pond as otherwise it will be very inconvenient for water to the people that gather there.

4. That the petitioner has been deprived of the mamool (588) which he was getting in the shape of kind and coin from merchants and other people, prior to the introduction of the levy of fees in the shandy, viz., 1924-25. This amounted to at least Rs.6/- per shandy, that is, Rs.24/-, per

per

per mensem or Rs.288/- per annum.

5. That the petitioner has added on to the tope subsequent to 1924-25 some more trees at a cost of Rs.200/-.

6. That if the tope is formally acquired by the Board, the amount of compensation to be paid cannot be anything less than Rs.3,000/-, which, if invested in any of the Government Saving's Banks, the petitioner will get an interest of not less than Rs.135/- per annum.

7. That the benign Government have sanctioned the grant of compensation from 1926-27 and not restrospectively, that is, from the date from which the District Board began to levy fees in the shandy and thereby began to derive income, depriving the petitioner from the enjoyment of the mamools.

8. That the petitioner urges for kind consideration for Government that equity demands, that the petitioner should be duly compensated for the loss sustained by him from 1924-25 and not from 1926-27.

9. That the petitioner is at a loss to understand whether the Government were aware of these facts while passing orders inasmuch as the petitioner was not heard at all nor given a chance to represent his grievances.

Prayer.

Wherefore the petitioner prays that a detailed report as to the validity or otherwise of the facts

referred

referred to above may kindly be called for and the views of the District Board ascertained, and after satisfying themselves of the correctness of the contention of the petitioner, justice may be done to him either

(a) by paying half the amount of the income of the shandy after deducting all the expenditure of the Board for the shandy;

(b) or by paying an annual grant of at least Rs.150/- per annum,

as otherwise the petitioner, who is a man of many children and who is entirely depending upon this for his maintenance will be left quite a destitute.

N.B:- In obedience to Government Order No. L.8028-9/L.B.2-25-85 dated 4-5-1927, conveyed to me through endorsement No.R.Dis.15/26-27 dated the 13th May 1927 from the President, District Board, Kolar, I have received Rs.50/- for 26-27 under protest, pending favourable orders on this petition by the benign Govemment.

To

(THE DEPUTY COMMISSIONER, KOLAR DISTRICT)

Thro,

Sir,

With reference to your official Memorandum No. 1235 LB.55-27-2 dated the 3rd September 1927 forwarding for report the petition of Mr. Munisami Chetty, Valagerahalli Sreenivasapur Taluk, representing that the grant of Rs.50/- given to him annually as per G.O.No.L.8028.9 M.L.2.25 dated 4th May 1927 is inadequate and praying for increase thereof, I have the honour to state that the presentation was considered by the Standing Committee and the District Board and they are of opinion that though there is no material ground for any further claim by the applicant, he might be given an increased annual grant of Rs.75/- in consideration of the fact that the market owes its inception and continuance to the zeal of the applicant and his ancestors and that acquisition of the site will deprive him of the produce also.

2. They beg to point out that what the Board have now given is in appreciation of the services of the ancestors of the applicant and that the applicant cannot legally lay any claim to the market revenue derived by the Board. They are of opinion that the grant now agreed to is a very liberal one and in case the applicant is not satisfied, the site may be acquired by the Board.

3. Copy of their resolution is enclosed for the information of Government and as also the application.

4. Early orders are solicited.

I have the honour to be,
Sir,

C. Gopala Rao
